Tuesday, September 5th is our first day of school! If you would like to see our room before school starts, we are having an **Open House for students and parents on Tuesday, August 29, 4:30-6:00 P.M.** All parents and students are encouraged to attend this very valuable Open House. We will provide you with a more detailed overview of the second grade curriculum and teacher expectations. Experience has demonstrated that students who meet their teacher and visit their classroom prior to school starting have fewer first day anxieties. We look forward to meeting you!
