

## Welcome to 3<sup>rd</sup> Grade

Greetings from the Third Grade Teachers:

We are very excited to welcome your child to third grade. Many parents are curious about what items are used in our classes. The following is a list of things you might want to supply your child with.

1. Crayons (a package of 16 -24)
2. Kleenex (2 boxes)
3. Glue sticks (2)
4. Scissors
5. #2 pencils
6. Pencil holder that zips up
7. 1 Highlighter
8. 2- 2 Pocket folders (with prongs)
9. Clorox Wipes
10. 1 inch binder
11. Ziploc Baggies (boys bring gallon size/girls bring quart size)
12. White board markers
13. Band aids
14. 1 subject spiral notebook

**\*Please, do not send Trapper Keepers or notebooks as they do not fit in their desks.**

\*Please have your child know the addition and subtraction facts before school begins. We will be starting multiplication in September.

***Tuesday, September 5<sup>th</sup> is our first day of school!*** If you would like to see our room before school starts, we are having an **Open House for students and parents on Tuesday, August 29, 4:30-6:00 P.M.** All parents and students are encouraged to attend this very valuable Open House. We will provide you with a more detailed overview of the third grade curriculum and teacher expectations. Experience has demonstrated that students who meet their teacher and visit their classroom prior to school starting have fewer first day anxieties. We look forward to meeting you!
