

Supply List for 6th Grade

Trapper Keeper or binder to hold folders (folders provided by school)

Composition Notebook-1

Highlighters

Pencils and cap erasers (mechanical or regular)

Lead for mechanical pencils

Pencil sharpener

Small zippered bag to hold pencils, pens, etc.

Two boxes of Kleenex

Tub of disinfectant wipes

Small box of markers

Small box of colored pencils

Hand sanitizer

Students will be carrying all of their materials and supplies to each class with them. They will be assigned a locker where they can store materials or books in between the different cores. We do not use their desks for storage. To help with organization, please purchase a trapper keeper or binder. Sturdy plastic folders will be given to each student. Having a trapper keeper to put these folders in will be a great way to keep them organized for each class. We have a system for filing all papers in folders, and extra folders of different kinds and colors will tend to confuse students and hamper the organization system. Students will NOT be allowed to carry backpacks to class.

Students are required to have two sharpened pencils or mechanical pencils with lead with them at all times. Purchasing a good supply of pencils when they are on sale at the end of the summer would be a good idea.

Tuesday, September 5th is our first day of school! If you would like to see our room before school starts, we are having an **Open House for students and parents on Tuesday, August 29, 4:30-6:00 P.M.** All parents and students are encouraged to attend this very valuable Open House. We will provide you with a more detailed overview of the sixth grade curriculum and teacher expectations. Experience has demonstrated that students who meet their teacher and visit their classroom prior to school starting have fewer first day anxieties. We look forward to meeting you!

Thank you for your support!
